I was walking downtown New York in 2001  
Airplanes crashed and buildings fell down, dude, like that’s no fun  
Now my country has confusion freedoms are against the wall  
We’re told 19 men with little tiny razors caused it all

Oh, yeah, sure, THAT’S A WHOPPER – Ring, Ring, Ring, Ring  
Oh, yeah, baby, THAT’S A WHOPPER – Ring, Ring, Ring, Ring

All humans and beautiful cows on planet Earth are bad  
Our carbon dioxide is making life so sad  
Georgia guide-stones and The U.N. say we all must go  
“Cut people down to help a billion. Hey, that’s the perfect show.”

Oh, yeah, sure, THAT’S A WHOPPER – Ring, Ring, Ring, Ring  
Oh, yeah, baby, THAT’S A WHOPPER – Ring, Ring, Ring, Ring

Are you kidding? Really? You want us to buy that jive?  
When billions of people are waking up, waking up to the LIES !!

We are so tired of you guys putting humanity down  
Go away and stay away. Stop terrorizing town  
Our favorite one is how you tell the world you care  
Then you drop your killing bombs on someone’s child out there

Oh, yeah, sure, THAT’S A WHOPPER – Ring, Ring, Ring, Ring  
Oh, yeah, baby, THAT’S A WHOPPER – Ring, Ring, Ring, Ring
